

MUD and OET work party draws 14 volunteers

Everything came together for a successful work party at the Sandy River Delta on Nov. 10. The effort was sponsored by Multi-Users of the Delta (MUD) and the Forest Service. Folks brought gloves, extra tools, trash bags, etc. Plus, Bonnie brought breakfast bars and Ketzal brought the all-important MUD cards.

Thanks to these volunteers:

1. Ketzal Levine...brought MUD cards and did trash clean-up.
2. Larry & Jackie Norton....raked reclaimed dike trail and cleaned dog litter by kiosk.
3. Phyllis Owen, Marge Reed, Pat Graham, Pammy Hirigaray and Debbi Davidson...litter pick-up including a bumper and a tire.
4. Lot & Pam Scholz helped rake and clean stray briars from the reclaimed dike trail.
5. Bonnie Stockman and Barb Adams recruited visitors to join MUD.
6. Dave Adams used his tractor to dig briars out of the north holding corral.
7. Ada Norris....cleaned up dog litter.

The Sandy River Delta is part of the Columbia River Gorge National Scenic Area. It is bounded by the Columbia and Sandy Rivers. The SRD is used year-round for horseback riding and is extremely popular as a dog-walking area. The SRD is also used by hunters (waterfowl), birdwatchers, fisherman and hikers.

Nine OET members and five MUD members attended the work party. You can join or learn more about MUD at: http://groups.yahoo.com/group/SRD_MUD/
