

Saddle up, horse lovers! From January 15 to April 16, join the ultimate equine challenge: 30 rides and a grand total of 40 hours of horsemanship with your trusty steed (or two!).

Remember, it's one horse at a time—no multitasking here!

Each ride, workout, or pampering session (a.k.a. TLC) needs to clock in at a minimum of 15 minutes to count toward that glorious 40-hour goal. Whether you're brushing your horse, mastering ground training, or hitting the trails (or the lesson arena), it all counts—just don't try to sneak in those barn chores! Chores don't count.

Best part? This challenge is totally free and open only to OET members! Not a member yet?

Well, hop on board and join the fun!

Your challenge hours will be linked to your name & membership number. Let the horsin' around begin!
